Continuation of Substance of Interview including description of the general nature of what was discussed:

Examiner and applicants discussed claim amendments that would recite all independent claims and certain dependent claims to remove all intended use language, for example "for changing," and to recite that the computer readable storage mediums are non-transitory computer readable storage mediums in order to place the claims in condition for allowance, and to ensure that the game images are based on the game program and operation of the operating member/unit, and to remove "or not" from the term whether or nor, and to remove the indefinite term "it".
